Memory Palace Crafter

Let's start by extracting the key ideas from the uploaded material. I'll list the key ideas along with verbatim quotes from the document.

Key Idea Extraction

Key idea 1: Ask good questions to get useful answers.

- Attached sentences: "The Mom Test is a set of simple rules for crafting good questions that even your mom can't lie to you about."

Key idea 2: Avoid asking for opinions or future predictions.

- Attached sentences: "Opinions are worthless."
"Anything involving the future is an over-optimistic lie."

Key idea 3: Focus on specifics in the past instead of generics.

- Attached sentences: "Ask about specifics in the past instead of generics or opinions about the future."

Key idea 4: Customer conversations should give concrete facts.

- Attached sentences: "The measure of usefulness of an early customer conversation is whether it gives us concrete facts about our customers' lives and world views."

Key idea 5: Avoid mentioning your idea too soon.

- Attached sentences: "The big mistake is almost always to mention your idea too soon rather than too late."

Please review these key ideas and select which ones you would like to include in your memory palace.

all are good

Great! Let's create vivid images for each of these key ideas to build your memory palace.

Next Steps

You can now:

1. Continue adding more items to your memory palace.

2. Prepare your memory palace to be saved as Anki cards.

Would you like to add more items or proceed with the current items? If proceeding, please provide a list of loci for your memory palace (e.g., the entrance of my house, the living room, the kitchen, the bathroom, the bedroom).

yes anki

Please provide a list of loci (locations) for your memory palace. For example: "The entrance of my house, the living room, the kitchen, the bathroom, the bedroom." This will help in organizing the images in your memory palace for the Anki deck.

these loci are good: "The entrance of my house; the living room; the kitchen; the bathroom; the bedroom; the garden."

Perfect! Let's proceed with creating the Anki cards using your provided loci.
